

UPPER VALLEY DISPOSAL & RECYCLING RESIDENTIAL SERVICES GUIDE

WELCOME TO THE NEIGHBORHOOD

As a family owned and operated resource hauler, Upper Valley Disposal & Recycling has been serving Northern Napa County for several decades. We provide innovative diversion technologies to prevent recyclables and organic material from going to the landfill. However, some of our recycling strategies may not be familiar to you and your family.

QUICK SERVICE TIPS: GET STARTED

- Place all carts at the curb the night before your service day. Carts must be three feet apart with handles facing away from the road.

- Don't overfill! Cart lids must close completely. Remove any weights, bungee cords or ropes that were used to secure the lids.
- If you have extra bags of trash to be collected or have refilled your cart and want it emptied, please call the office to have this collected. Additional fees will apply.
- We rent 3.5 yard "clean-up" helper and temporary debris boxes for big clean-ups or home remodeling projects.
- See inside for details on curbside bulky item and drop-off programs also included in your monthly rates.

BUNDLED SERVICES

Three cart services are included in the basic bundled package for one monthly rate billed quarterly:

1. GARBAGE

Anything put in the gray cart is hauled to the landfill and is not sorted for recyclables.

2. RECYCLING

Recycle bottles, cans, plastics, paper, and cardboard in the blue recycling cart.

3. ORGANICS/COMPOST

Compost yard trimmings and kitchen scraps in the green cart. Organics are composted at a state-of-the-art facility turning it into a rich soil amendment.

TREATED WOOD

NO DIAPERS
NO PET WASTE
NO HUMAN WASTE

COMPOST: IT'S THE LAW

California is experiencing the effects of a climate crisis. Scientists tell us that greenhouse gases released by human activities, like landfilling food, paper products and yard waste, cause climate change. To address this, California's Short Lived Climate Pollutants law SB 1383 went into effect January 1, 2022. Residents and businesses (including public entities) are required to keep organic materials out of the landfill and can receive fines if they do not comply. The good news is that by actively participating in UVD&R's compost service, you are doing your part. Learn more about recycling laws at uvds.com.

DEBRIS BOX RENTALS

We offer temporary debris boxes for large amounts of waste, construction & demolition, green waste, and recyclables. Call our office at 707-963-7988 to get a quote.

BULKY ITEM COLLECTION

Take advantage of the UVDS Bulky Item Collection Program available to you twice a year. Must be scheduled in advance. Give us a call at (707) 963-7988.

2 TIMES
PER YEAR

2 Bulky Items

2 Appliances

If Freon is not removed,
then only 1 appliance is allowed.

5 E-waste Items

HAZARDOUS WASTES

Hazardous wastes such as batteries, vaping devices, automotive fluids, used cooking oil, paint products, fertilizers, cleaners, and fluorescent lamps/tubes **CANNOT** be placed in bins or carts.

Upper Valley Waste Management Agency sponsors twice yearly hazardous waste collection events. Typically events are held in the spring in St. Helena and the fall in Calistoga. These events are free for residents.

For more information email upvalleyrecycles@countyofnapa.org or call 707-259-8330.

MOTOR OIL/FILTERS

UVD&R collects used motor oil and filters by appointment. Give us a call at (707) 963-7988 to schedule your appointment before your next service day.

DOCUMENT SHREDDING & E-WASTE EVENTS

Three times per year UVD&R hosts drop-off events for paper document shredding and e-waste. Check uvds.com for dates and times.
